## TURNING POINTS

Genesis 28

## Discussion Questions

---

What are some of the spiritual turning points that have occurred in your life? In what ways do you see God's grace and providence in the midst of these moments? Spend some time sharing these moments together as a group.

How would you describe Jacob before God's appearance to him at Bethel? Why might we say it is surprising that God appeared to Him and blessed Him? What does this tell you about God's gracious dealings? Why does God's gracious initiative provide assurance for you?

In what ways would God's promises have been a comfort for Jacob? Do you look to God's promises in Scripture when you struggle with fear, guilt, doubt, etc.? What are some of the specific promises that have encouraged you in the past?

How would you describe Jacob's response to God's gracious revelation? What ought to be your response when you consider God's grace to you in Jesus?
