Repentance Revealed

Genesis 44

Discussion Questions

How did Joseph test his brothers? What was the purpose in this testing? According to James 1:2-4, why does God take His children through times of testing? Can you think of some examples where your faith has been tested? How is this encouraging to your faith?

What is surprising about Judah's confession of guilt in vv. 16-17? What are some of the wrong ideas people can have about the practice of confessing sin? Why is the admittance of sin important to our relationship with God and our spiritual family (Jms. 5:16; 1 Jn. 1:9)?

What evidences of repentance are seen from Judah's speech before Joseph? Why is biblical repentance more than just feeling bad about one's sin? What effect does repentance have in one's relationship with God and with His people?

In what ways does Judah demonstrate leadership and godliness in chapters 43-44? How does Judah anticipate the Lord Jesus Christ? What is so glorious about Jesus' sacrifice on the cross?
