Exodus 5

Discussion Questions

Why does God not deliver Israel right away? What is His goal when it comes to the confrontation with Pharaoh (Exod. 9:16)? How does God's timing with Israel encourage you when trials last longer than you expect?

How would you describe Pharaoh's response to Moses and Aaron? What does his response teach about the unbeliever's attitude towards God? What is your response when you consider the state from which God has saved you?

Why is Egypt's hostility towards Israel not surprising? What is your response when you see or experience persecution against God's people? How does knowing what to expect help you to persevere (Matt. 10:21-22)?

What was wrong with the response of the Israelites to Pharaoh's cruelty? What should they have done differently? What sinful thinking led them to curse Moses and Aaron? How should this be a warning to us?

How was Moses' response like that of the Israelites (vv. 22-23)? What was positive about his response to all the trouble that was occurring? Is it your habit to turn to God in the midst of difficulty? Why or why not?
