## **Discussion Questions**

What did you learn about God from this passage? What are some reasons to praise him based on this study?

Why was Paul concerned about pride amongst the Gentile believers? How does this passage combat this sinful attitude of superiority? Why does God's mercy leave no room for pride?

Why should this passage motivate us to participate in the spread of the gospel (see also vv. 13-14)? In what ways are you involved in actively taking the gospel to the lost?

How does Israel's future demonstrate the faithfulness of God? Why is this so important for our security as children of God?

How does Jesus perfectly manifest the mercy of God? Why is he the only hope for mankind who is imprisoned in sin?
