Operation Christmas Child is a great way to bless children around the globe. We encourage those interested in this shoebox ministry to be shopping for items throughout the year. We hope you will join us this year with your shoebox!

Do You know a 9th-12th grade student that loves Jesus and loves kids?

Do they love camp adventures and fun?

Would they be a great addition to sharing the Message of Jesus to kids at Timberlake this summer?

The Junior Cabin Leader Program is a volunteer opportunity for 9th-12th grade students. The JCL is assigned to a cabin leader to help the cabin of kids to have the best week ever! They will be the extra set of hands in helping with the campers and the extra portion of energy and enthusiasm to be part of all the daily camp fun!

From wake-up... to game times... to swimming... to chapel...to meals... to camper quiet times....and all the in between, the JCL will be a right in the middle of the action.

Junior Cabin Leaders (& the other JCL's serving with them that week) will also be part of specific Bible Study times throughout the week just for them.

What you need to do...

- 1) Download and follow directions on the JCL application**
- 2) Be ready for an interview over the phone**
- 3) Timberlake will check with the references you give on your application**
- 4) If all goes well, you will receive an Agreement To Serve in the mail!**

You will get to choose the weeks you would like to serve!

All JCL applications need to be submitted by JUNE 1st so we have time to get things taken care of before the start of Camp

Also...

There are two different weeks to choose from if you want to attend Senior High Camp! JUNE 23 or JUNE 30 (There is potential for a \$50 credit toward Senior High Camp fees for each JCL week served)

Volunteers Needed! Please contact Joy Escen or

We want to update our directory! If you call Highland Park your church home, we invite you to participate. Maybe your family has changed or you weren't able to make it to the last directory picture appointments or you just want to change your picture, please take this opportunity to make these changes. We are currently in process of arranging pictures to be taken July 8-10 or July 25-27. Please let Cindy Stoeckle or Kevin Bennett know if you are interested so we can contact you. Thank you!

Missions Leadership Team

By Kevin Bennett

Church Missions at Highland Park Church is a big job. Our effectiveness in missions is often limited by our performance on the team. It is important enough to love Christ and have a passion for missions but our skills in leadership, organization and planning are required. The difference between a traditional missions committee and missions leadership team is easy. A team implies teamwork, everyone contributing, cooperation, enthusiasm, a common cause, relationships, and achievement.

The effectiveness of our team is very small compared what God may accomplish in the world through an individual or a team in our local church. The potential is enormous!

Our Missions Leadership Team is praying for God's guidance as we seek to add additional members to our local team. Perhaps you would like to join us as we seek to know and do His will. I challenge you to add to your daily

prayer list; “Should I serve on the Missions Leadership Team at Highland Park?”

Here are some of the responsibilities of our team:

- Provide leadership for mission in the church
- Develop prayer support for missionaries and projects.
- Assist our church elders and leaders in obeying the great commission.
- Develop the team structure and qualifications
- Define the boundaries for missions ministry.
- Develop missions priorities and strategies for the church
- Propose and administer the missions budgets.
- Develop and maintain relationships with the EFCA Denomination and independent missions organizations.

Please pray about your involvement. If you want to know more, please see me on Sunday morning. I am usually at the front door of the church before worship, or contact me at the church office during the week. Thank you for your consideration.
