

Acts, Chapters 1-7- Mike Dornish

In this class we will be looking at the first 7 chapters of the book of Acts. Like Genesis, Acts is really a book of firsts, especially in the early chapters. Christ has ascended back to the Father and now the Apostles are expected to lead the brand new, New Testament church. Everything is new!

There are a lot of lessons in these early chapters that are important for us. We will learn a great deal about obedience, fellowship, evangelism, courage, trust, serving and so much more. If you want to grow in Christlikeness, this is the class for you!

Biblical Stewardship- Pastor Trevor Doles, Pastor Kevin Bennett, Brian Christensen

Biblical stewardship is a class you won't want to miss. This class will be helpful to whatever financial stage you find yourself in. It is for those new to budgeting. It is for those who have been budgeting, but struggle to understand the wholistic picture. It is for those who are well established financially, but are looking for creative ways to be able to give generously to others (live generously). Ultimately it is for those seeking to grow in **their knowledge and practicality of financial stewardship**. The course will not exhaust the subject, but it will provide you with multiple tools, resources, and warnings to help give you a wholistic picture of Biblical financial stewardship.

The Perplexity of Our Glorious Salvation- Les Bennett

As Christians we know that we have a glorious salvation because of the work of Christ on the cross. While we continue to grow in understanding this salvation there are also many perplexing questions that can come to our minds regarding it. Sometimes this leaves us confused and desiring to find answers. Even Peter wrote that Paul's words on this subject were sometimes hard to understand (2 Pet. 3:16). The goal of this class is to dive deep into some of these issues related to the Bible's teaching on salvation. My prayer is that through this class we will develop an even greater love for Scripture and strengthened understanding of this great God whom has authored our glorious salvation.
