

## *Ministry Updates for the Week of February 26*

### [Calendar of Events](#)

#### **Notes of Encouragement**

*Dear Highland Park,*

*We wanted to thank you and tell you of our appreciation for sending the Podliska family to love and serve our family. Life on the field is hard! We've had amazing ups and devastating downs in the years that we've lived in this Muslim country.*

*We are extremely excited to have the Podliskas here for 2 weeks this summer - meeting our neighbors, friends, and team, learning about our lives and work here, debriefing our service thus far, participating in prayer with us and our team, serving graciously to encourage faith, and helping our kids not feel so lonely by being able to play in English with kids their own ages who understand them!*

*We can't thank you all enough for the support that you've provided to us so far by getting behind this Member Care Trip, it is needed for our whole family! We are so encouraged by the grace of the Lord - not only in your sending of us to*

*the field and in your consistent and faithful support - but also in your sending the Podliskas to refresh our hearts!*

*We look forward to seeing you all when we come back for Home Assignment in Summer 2021!*

*Blessings,  
The B Family in West Asia*
