Matthew 28:16-20

Discussion Questions

How have you viewed the Great Commission before today? Do you have a different response to it based on studying it further? Why is this passage so important in determining the mission of the church?

What did Jesus claim in v. 18? How is this different than how the disciples may have viewed Him during His earthly ministry? What is the proper response to Jesus' "authority in heaven and on earth"? How is His absolute power a comfort in carrying out our mission as God's people?

How would you summarize Jesus' command to the church in vv. 19-20? Would you say you are faithful to this command? Why or why not?

How does the Great Commission affect your approach to being involved in the community? How does it affect your approach to making disciples through the local church?

What encouragement does Jesus give at the end of this passage? How can you grow in depending on the Lord's strength in ministry instead of your own?
