

Ministry Updates for the Week of May 1

[Calendar of Events](#)

Body Life

Worship Center:

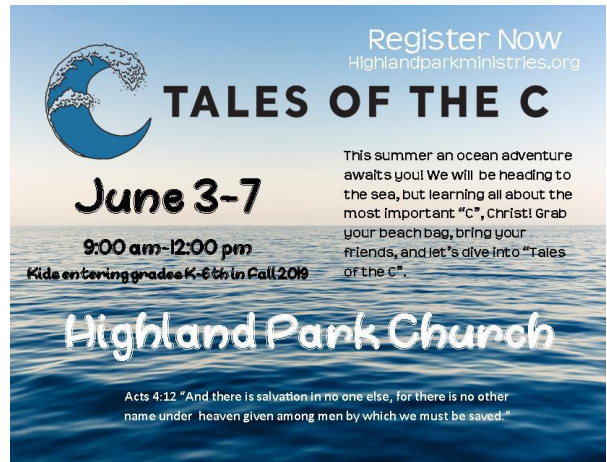

We are looking to recruit a volunteer(s) to help organize the Worship Center at the end of the week so that we are ready for Sunday morning worship services. The Volunteer(s) will be responsible to pick up old bulletins and waste paper, reset prayer cards, and sharpen and replace the pew pencils. Our goal is to have the pews neat and tidy for Sunday morning Worship Services. The volunteer(s) is not responsible for vacuuming carpets or dusting the pews.

Sunday Morning Parking Lot Greeters:

We are looking to recruit Parking Lot greeters on Sunday mornings from 9:30AM to 10:15AM. Parking Lot Greeters get to wear a safety vest that identifies them as part the Highland Park Greeting Team. These greeters will be scheduled for two Sunday mornings per month. The volunteer(s) for this team will enjoy serving and meeting and greeting church members every Sunday morning in the parking lot. Even more, they will be on the front line to greet new guests to Highland Park and answer questions. Volunteers help our folks to feel welcome.

If you are interested in these or any other volunteer positions please call Kevin Bennett at (402) 910-2491 or connect with him at the church office.

Thank you!

Bennett Care Group: Meets this Sunday, May 5th in the Fellowship Hall after Worship Service.
