

## **Course: Walk in Him!**

**Teacher: Mike Dornish**

**Walk in Him!** That is what we are told in Colossians 2:6-7. It says, “Therefore as you have received Christ Jesus the Lord, so walk in Him, having been firmly rooted and now being built up in Him and established in your faith, just as you were instructed, and overflowing with gratitude”.

In this class we are going to look at our “new identity in Christ” and what can and should happen as we grow in our faith. What should the Christian life look like for the new believer, the growing disciple, the disciple maker, and finally those who invest in the disciple makers. Yes, there is supposed to be spiritual growth as we mature in our sanctification! God will use us in different ways as we mature and grow!

We are also going to look at why spiritual growth does not always occur. What inhibits it, what will set us back, what can I do about it?

Are you excited about your faith and desiring to grow and mature? This class is for you. Are you someone who is stagnant, frustrated by your lack of spiritual growth? This class is for you. Are you someone who is currently “on the shelf” for God? This class is for you. Are you someone who is currently trying to invest in the lives of other believers? This class is for you!

## **Course: Worship Matters**

**Teachers: Tim Birkel and Jerry Pearson**

*“Praise the Lord” Sing to the Lord a new song, and His praise in the congregation of the godly ones.” Ps 149:1*

In 2008 Bob Kauflin, a pastor with Sovereign Grace Churches and Director of Sovereign Grace Music, wrote “Worship Matters: Leading Others to Encounter the Greatness of God”, in which he sought to connect a biblical theology of worship with what worship leaders actually do on Sundays. Through the book, Bob builds congregational worship on biblical principles that transcend cultures, generations, and ethnic groups.

Given the encouragement that’s come in response to the book, Bob has recorded a 12-session training course as a supplement to Worship Matters. In this **video series** he teaches through a broad range of topics, from practical guidance on putting songs together, growing in spontaneity, and planning a service to spiritual topics like humility, comparison, and idolatry. You’ll be hard pressed to find a more practical, engaging, and pastoral tool for worship leaders, pastors, and anyone involved in music ministry in their local church.

Although the book and the **video series** are directed towards pastors and worship leaders, everyone can benefit from a better understanding of the importance of why we sing the songs that we do during worship services. Musical worship is a unique way of communicating biblical truths, is in the Bible from Genesis to Revelation, and is something that believers will do for eternity!

## **Course: Relationships Matter**

**Teacher: Pastor Trevor Doles, Pastor Mike Escen & Matt Stoeckle**

“When we reflect on our lives, they are measured not by our incomes or good works, but by our relationships—by our friendships. This is true of everyone” – Ed Welch

Our lives are measured by our relationships. Therefore, relationships matter greatly not only to us but to God. It has been said, “Friendship is the most-important, least talked about relationship in the church.” Relationships need special attention and biblical direction. In this series, we will dig into relationships in the work force, in the church, in parenting, and in marriage. Throughout the series we will also have three Q&A panels to help address real questions with practical, biblically-based wisdom.
